DEDICATION

It is with the highest esteem that we of the 1955 Talisman Staff dedicate the yearbook to a teacher who has been directing the progress of students for thirty-seven years. The results of her labor are left as a heritage for generations yet to come.

Such a vital, constructive force has been our Miss Gladys E. Miller. Many are the accomplishments of her thirty-seven years of service as teacher and friend. Yet, the highest tribute to Miss Miller can be found in the faith which she has always inspired in others, and in the loyalty and appreciation evidenced by fellow-workers as they seek her advice and act accordingly.

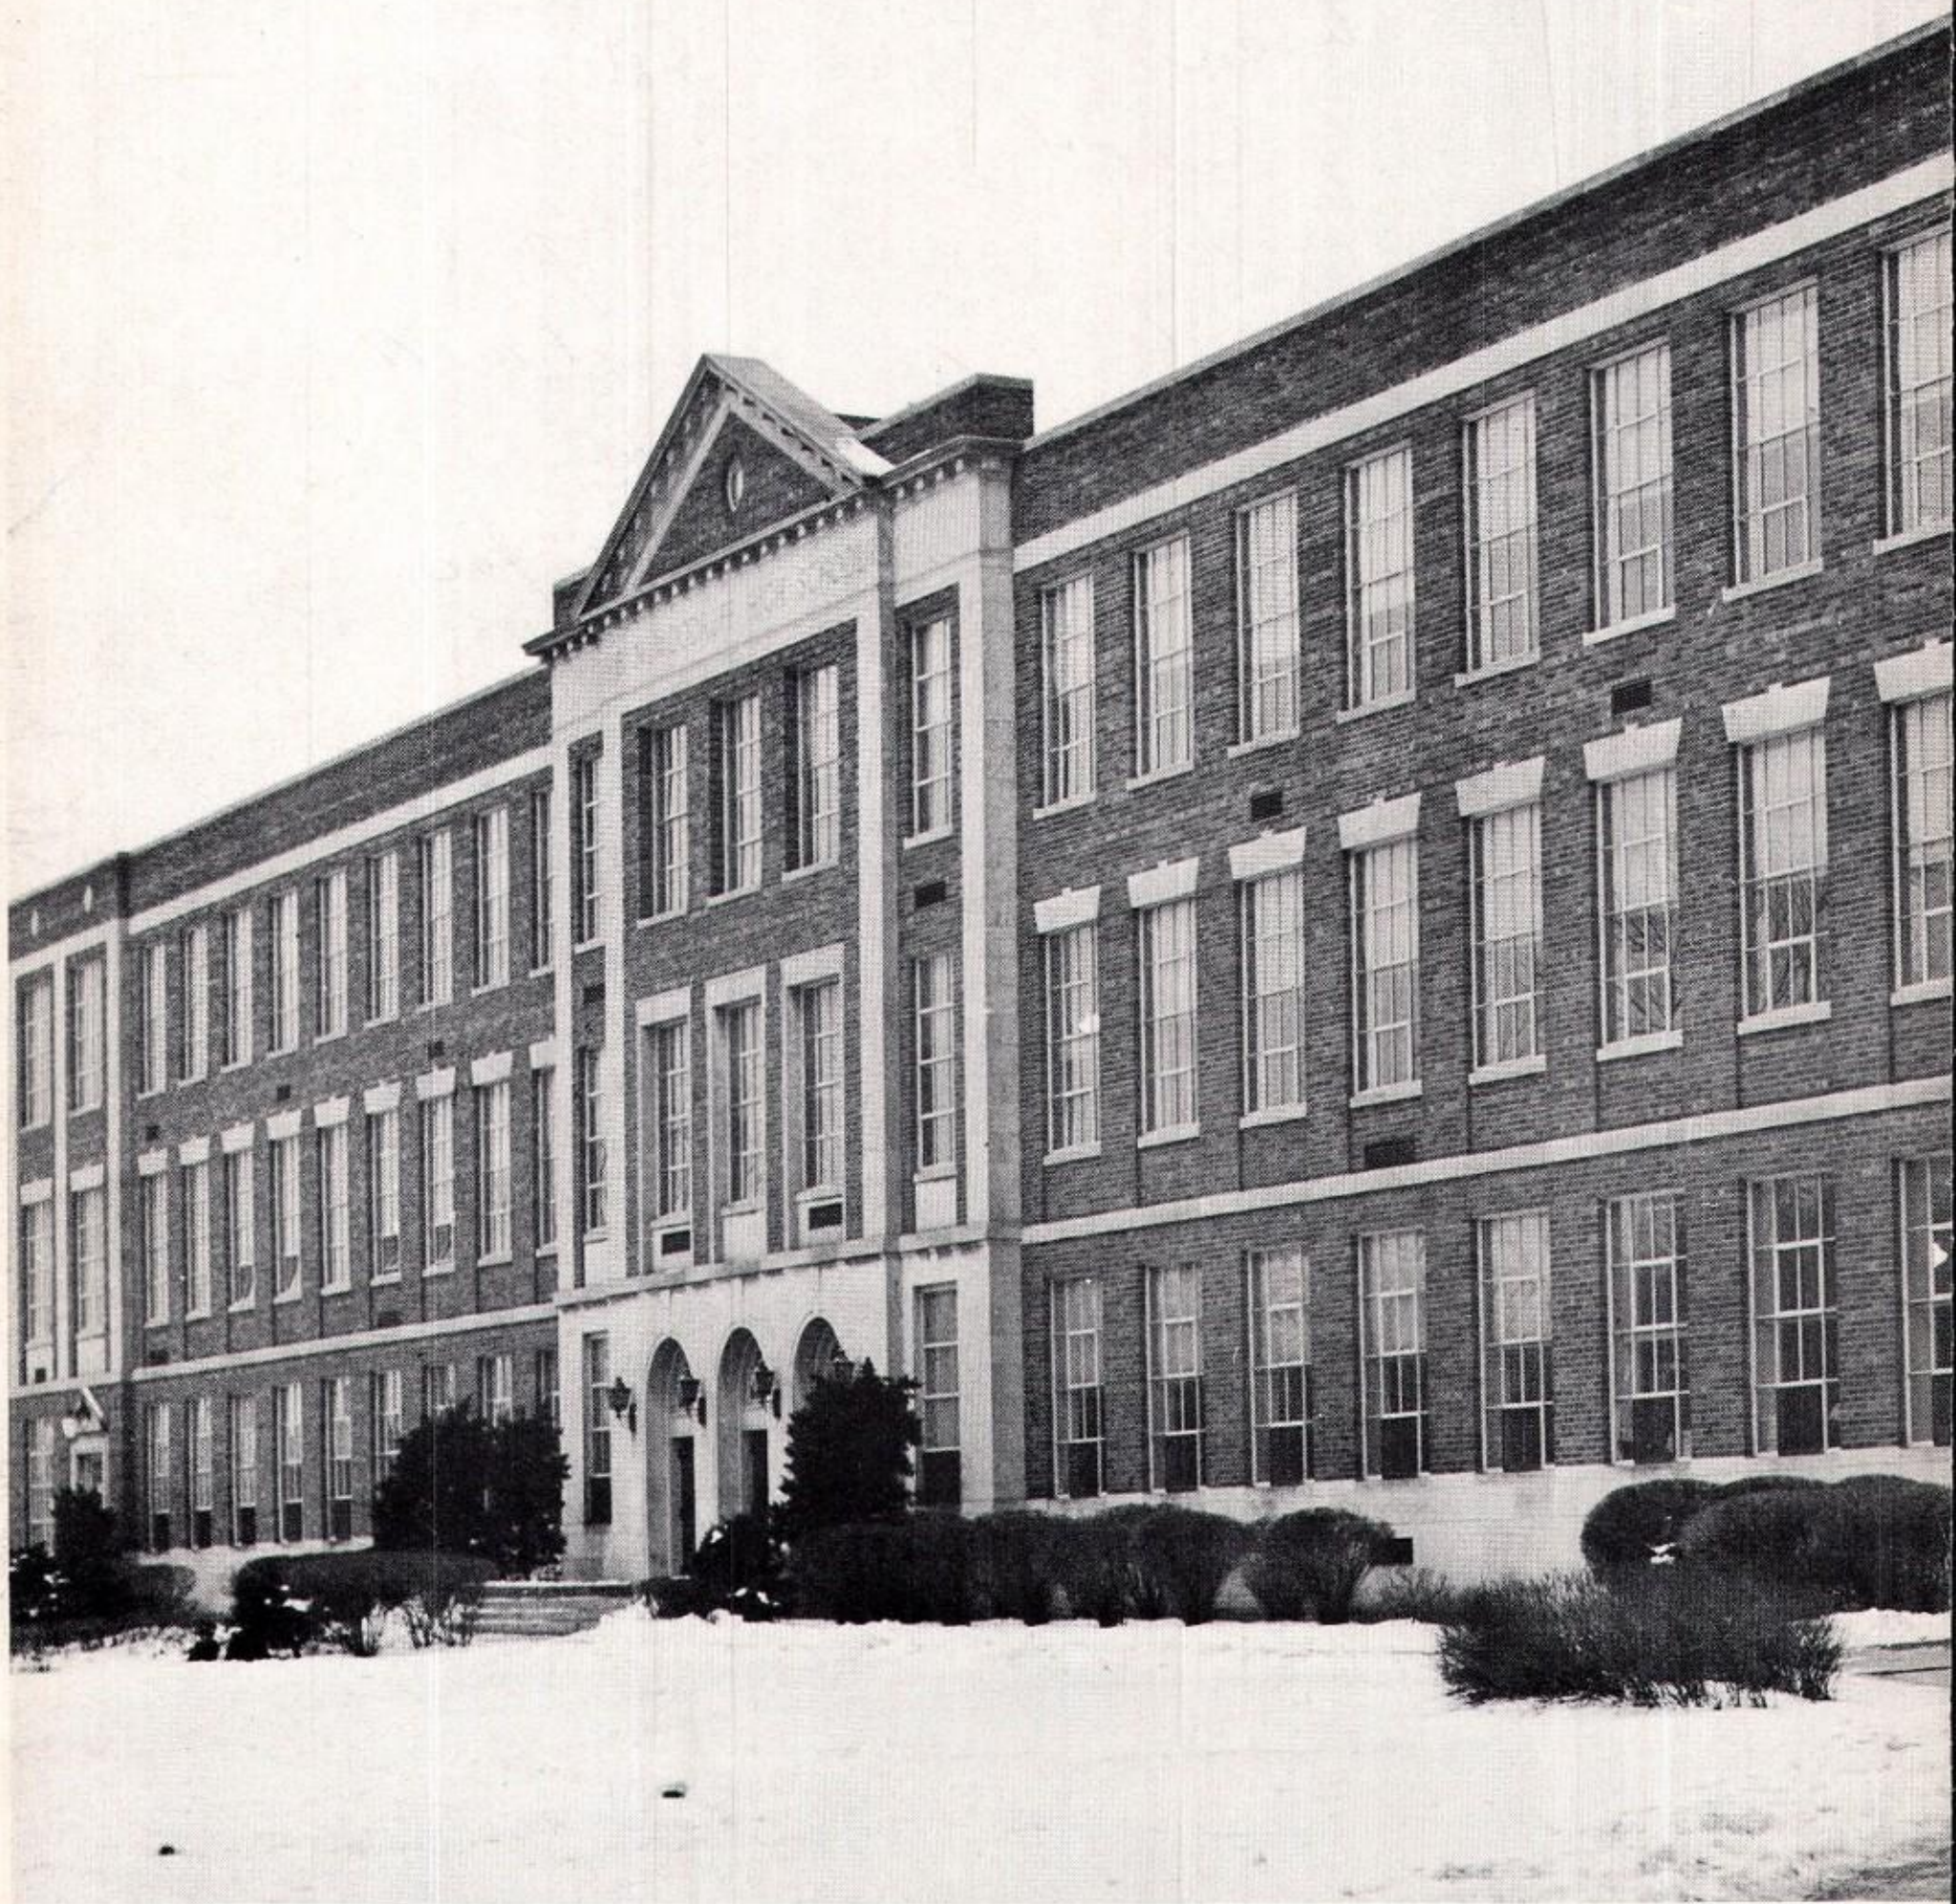

We are proud to dedicate this eighteenth volume of the 'Talisman' to you, Miss Gladys E. Miller. Your quiet and unassuming manner has won us, and we wish to extend our esteem and affection to you for your gracious attitude and splendid capabilities. We hope that your future years will be filled with happiness, which you have so well earned, and which you so rightly deserve.

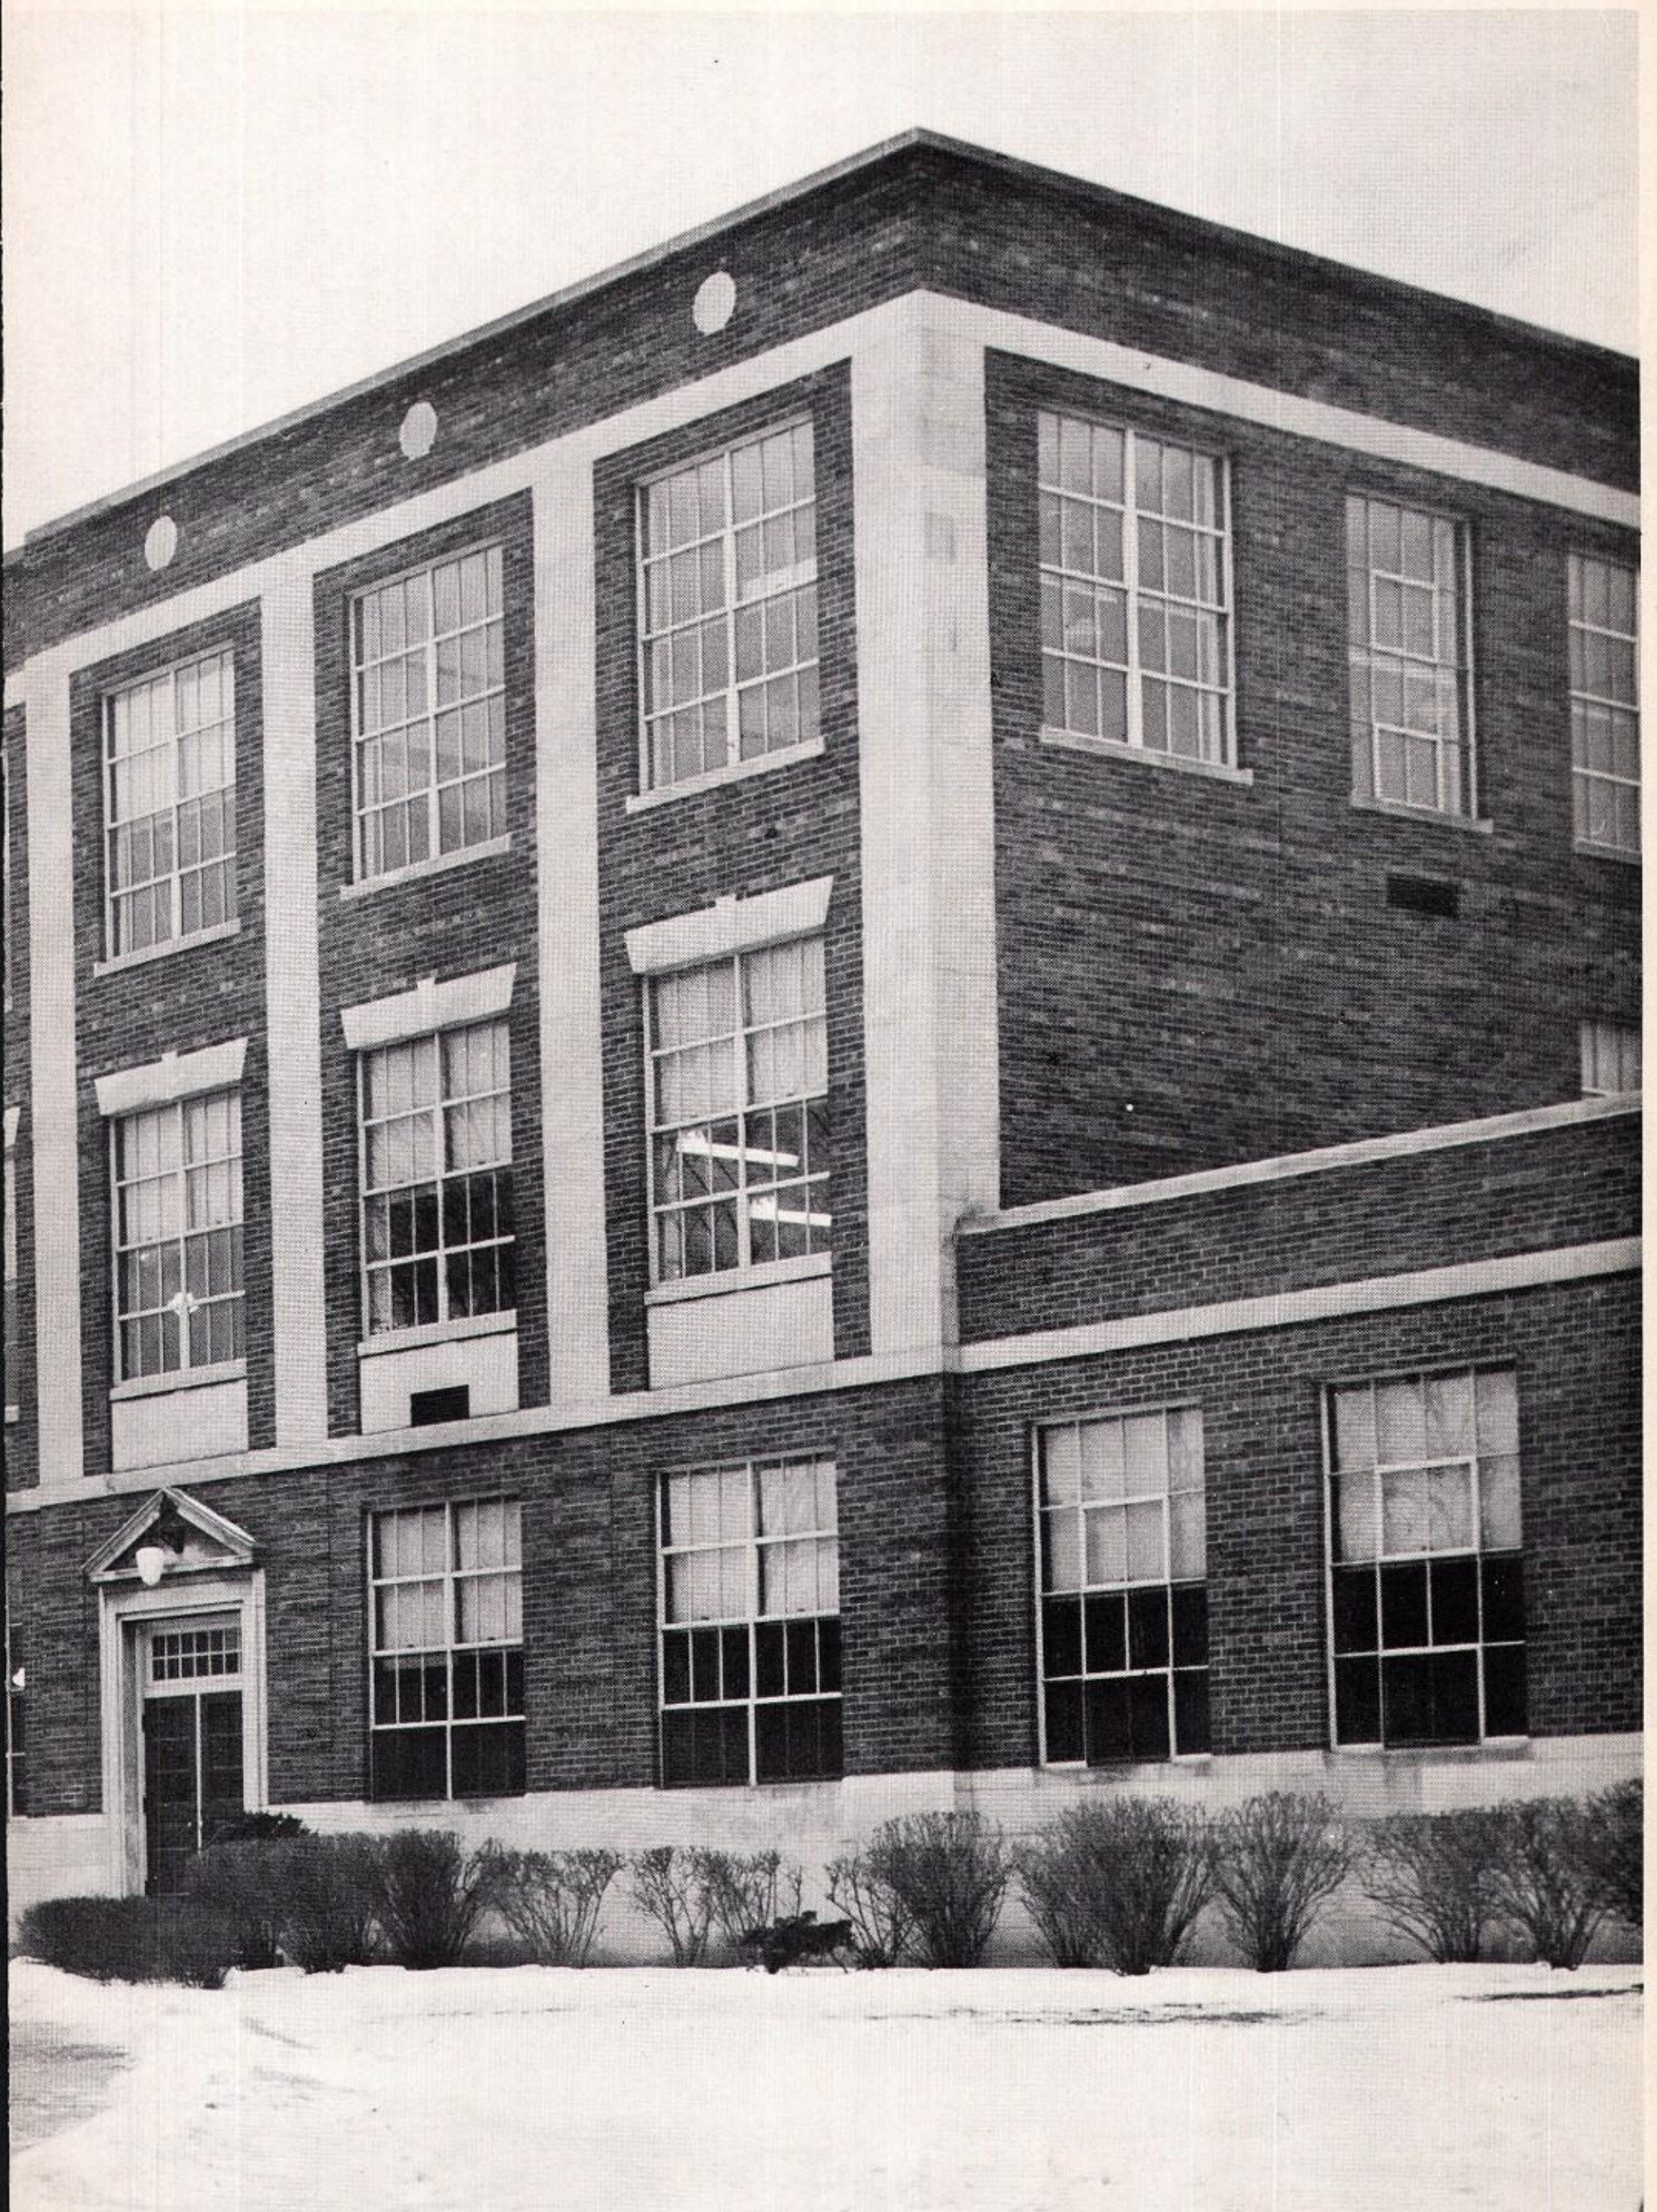

We, the students of Woodruff High School, in appreciation of your sincere interest in the promotion of Woodruff's ideals, dedicate this 1955 Talisman to you:

MISS GLADYS E. MILLER

The help you have given us in the classroom as well as the many hours spent outside of it on extra-curricular activities will always be remembered and appreciated by the students.

These three well-known fashion plates enter attired in the latest fashion.

Our hardworking stagecrew is busily preparing for another big production over W. H. S. TV.

A thing of beauty is our traditional Woodruff High School Christmas tree which is furnished and decorated by the math department.

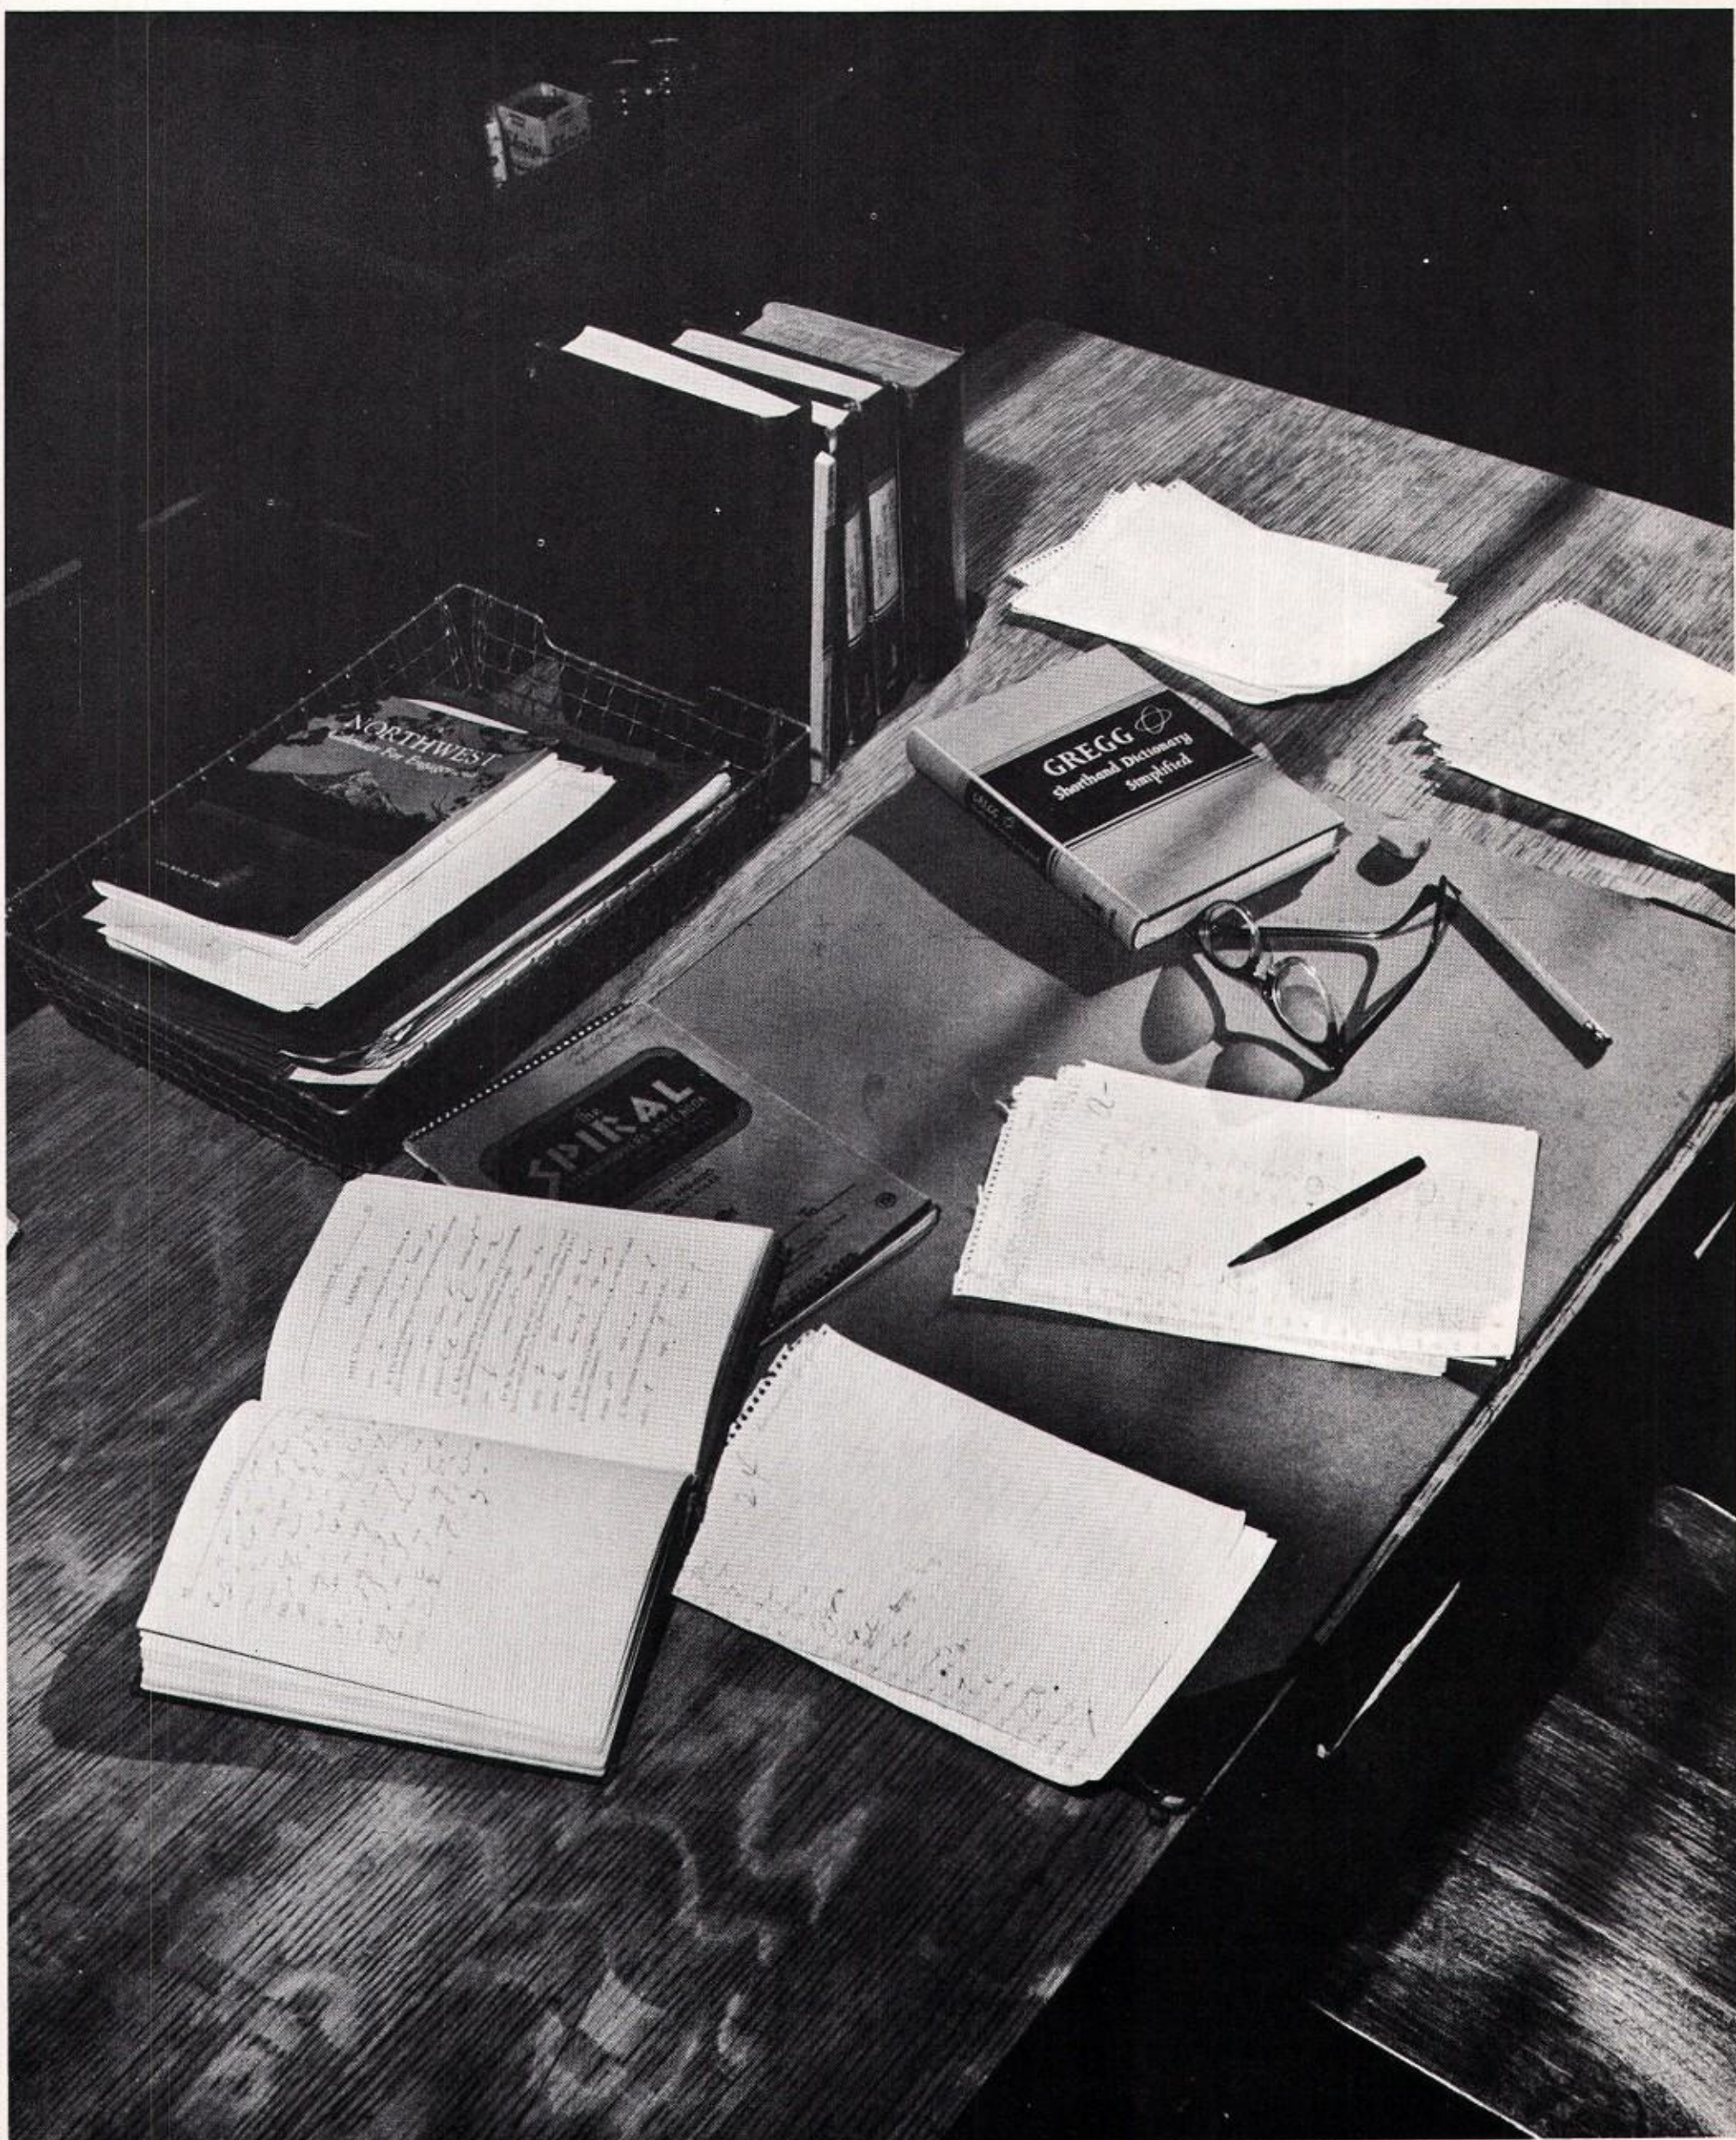

In style this year were middy blouses, which proved to be popular favorites.

It must be nice to be so popular!

IN MEMORIAM

In memory of Mr. H. E. Eveland whose death last summer was a great loss to the faculty and students of W.H.S. For many years a teacher in the Mathematics Department, his sincere friendliness and wise counseling endeared him to all of us.

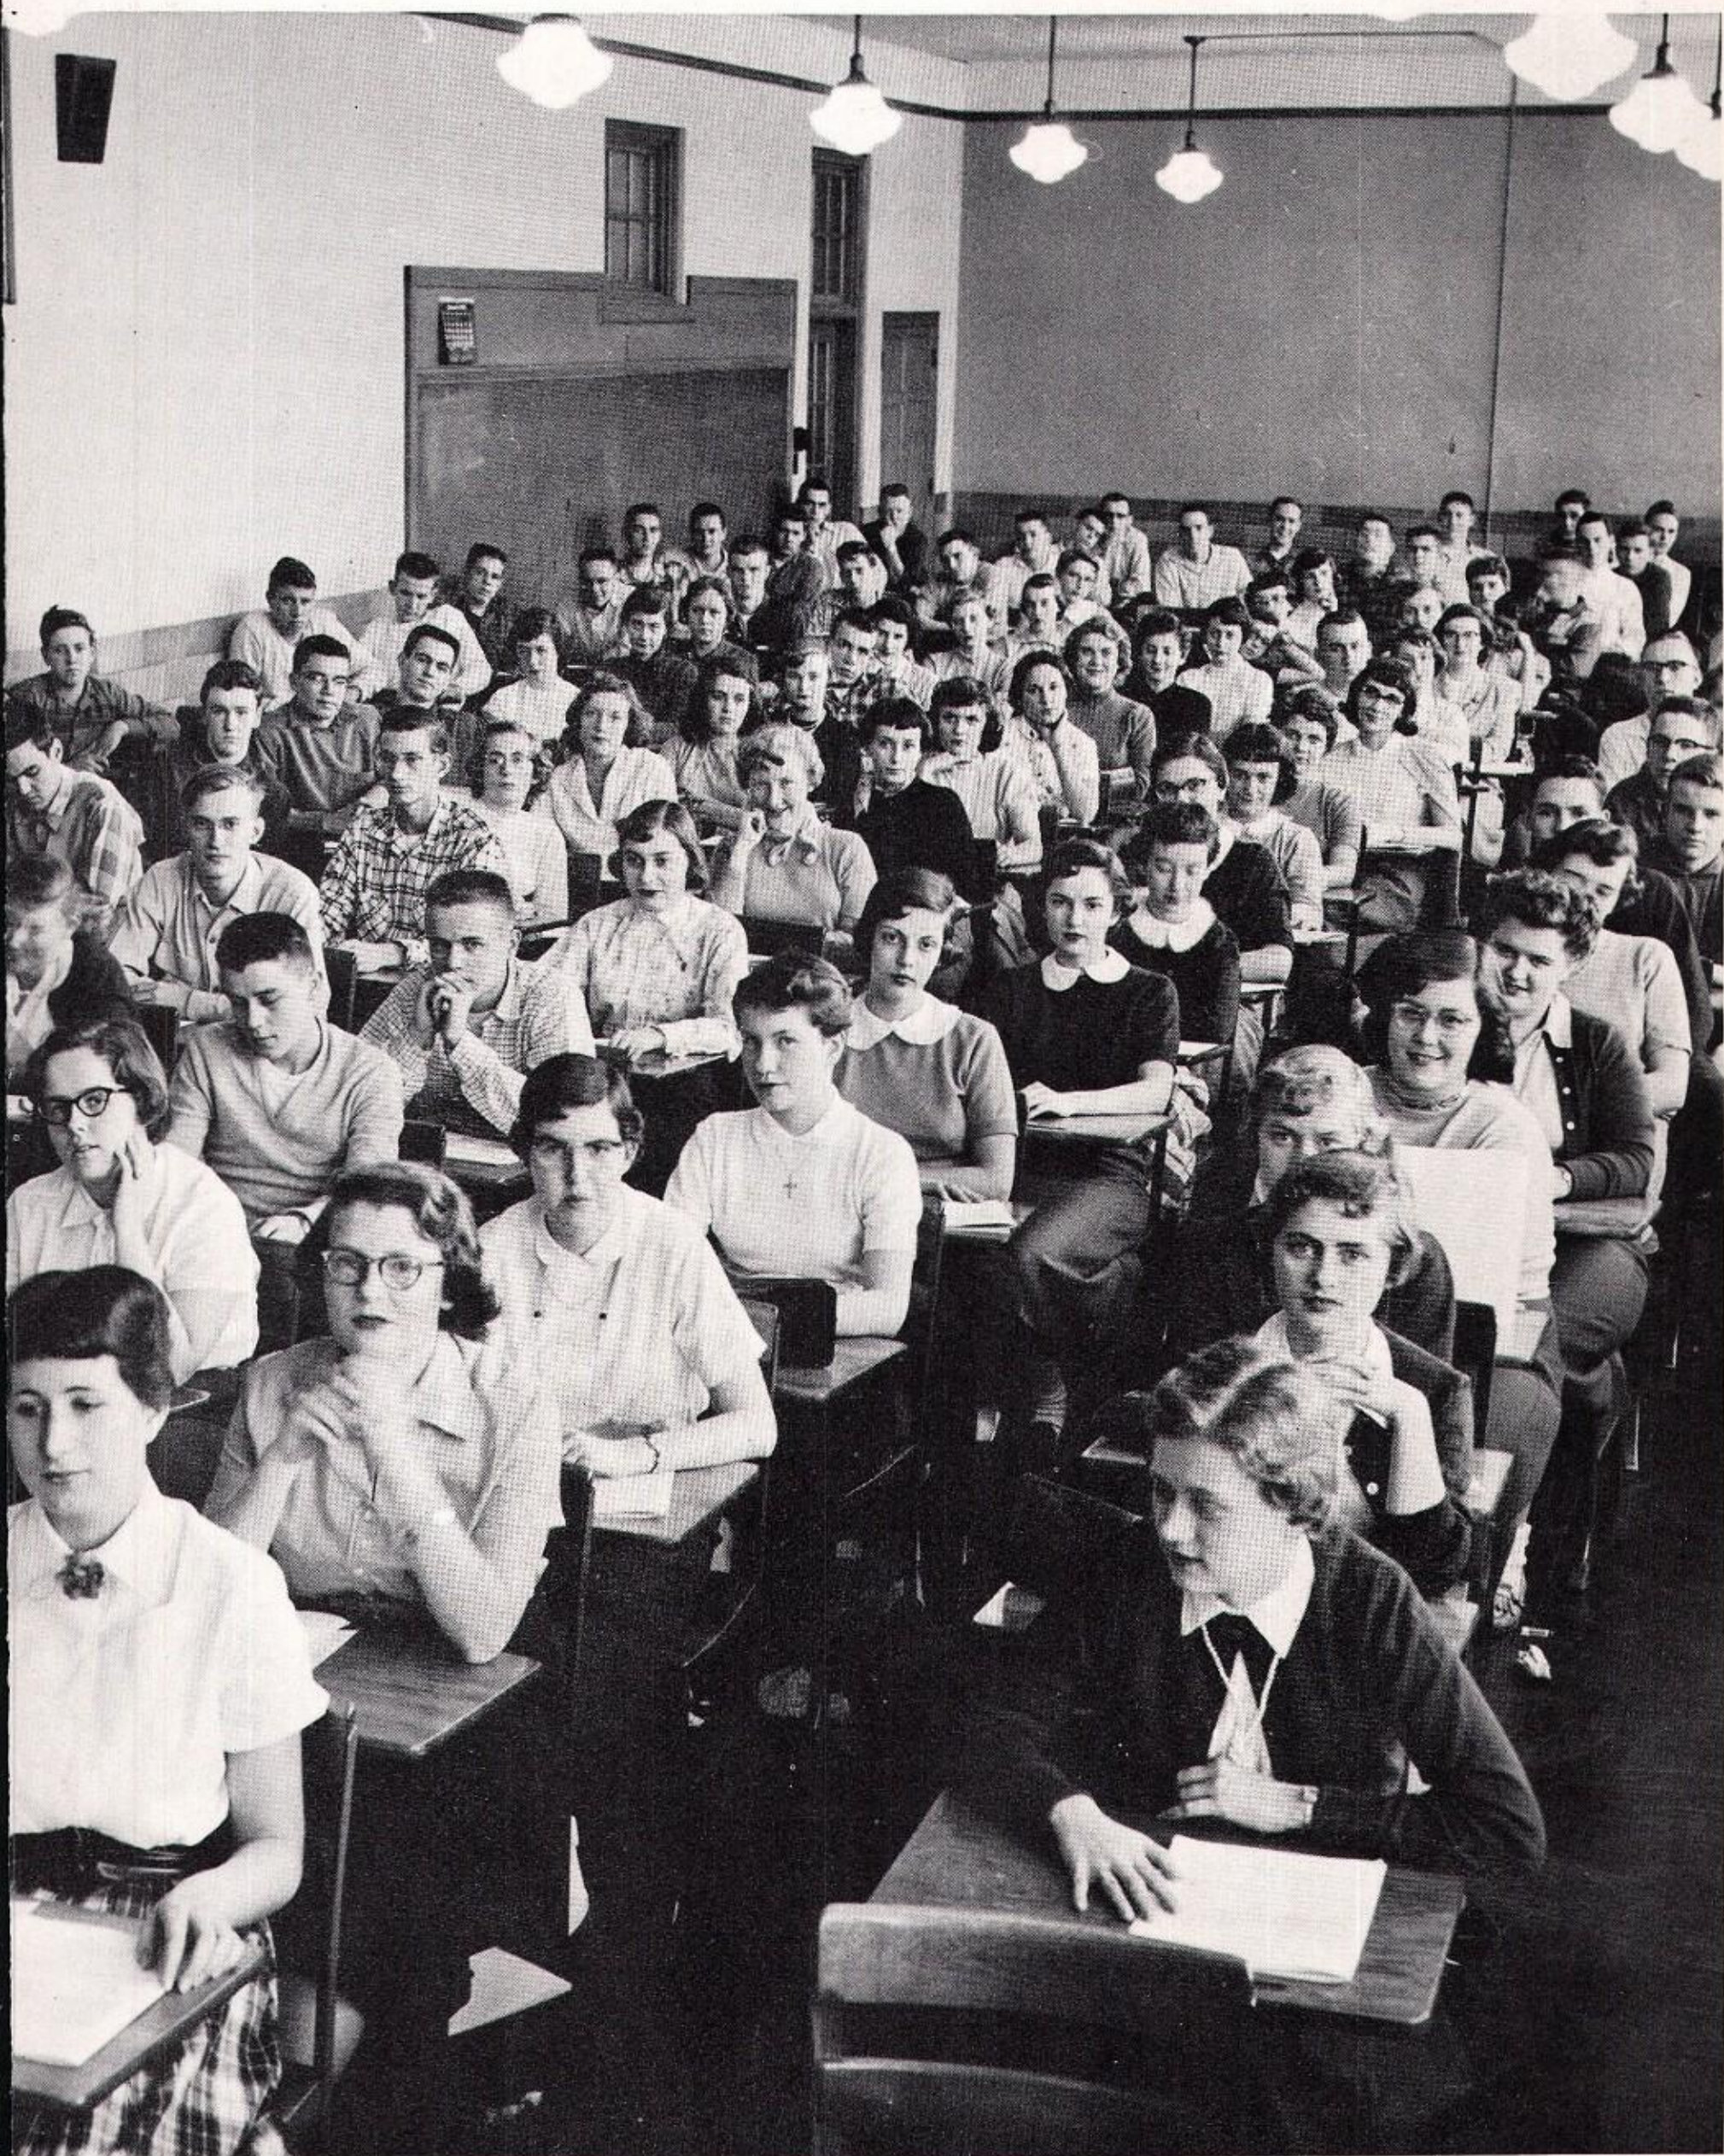

None of us know how long we will live. It was this thought that caused the Psalmist to say, 'Lord, teach us to number our days---satisfy us early with thy mercy.'

Pat's happy friendly ways will be missed by both the faculty and her friends in the student body.

Cross Country

This year's Cross Country squad under the coaching of Roy Gummerson, went through the regular season with only one defeat.

The hill-and-dale crew started the season off with 5 straight dual meet wins before being defeated by their arch rival, Central, in a very close meet. They then won their next four dual meets and a triangular win over Springfield and Lanphier.

After a week of hard practice, the thin clads went into the Illini as defending champions and retained the title by edging out Pekin for top honors.

The next weekend the District was held at the Peoria Country Club. With twelve teams entered the Warriors battled with the Central Lions for top honors and came out second best.

Traveling to Champaign the next weekend, the thin clads came through and captured second place in the meet. This was the second best achievement accomplished by a Gummerson coached Cross Country squad.

Thus coming home with the second place trophy ended a very successful season.

Varsity Football

Under the able coaching of Virgil Boucher and Charlie Gross, this year's football team turned in the best season's record that has ever been achieved by a Woodruff Football squad. The team's record was 8 wins, 1 loss, and 1 tie, and for the first time the Warriors won the Illini Conference Championship.

The Warriors started the season off by defeating Quincy and Galesburg in the first two games. Then the Warriors, playing the underdog's role, battled the highly touted Central Lions to a 6-6 tie. They won their next three games over Canton, Spalding, and Limestone by decisive scores, before being defeated by Manual for their only loss. They then won their last three games over Kewanee, East Peoria, and Pekin to complete a near perfect season.

Wrestling

This year's wrestling squad under the coaching of Charlie Gross, wound up the season with an 8 and 7 record.

The W.H.S. grapplers won their first match from Lanphier before dropping their next five matches. See-sawing back and forth throughout the rest of the season, they scored many victories although they lost some too.

Coming to the Illini Conference Meet, Woodruff had ten men placing from first to third.

Next on the schedule was the Sectional in which Woodruff had three men placing. They were Gary Eggerichs placing third in the 145 lb. class; Wes Helmick, placing 4th in the 165 lb. class; and Ralph Mikesell placing 3rd in the 175 lb. class.

Voted most valuable wrestler of the team was Gary Eggerichs, most improved wrestler was Wes Helmick, and Dave Frederick and Gary Eggerichs were elected honorary captains.

Varsity Baseball

Under the very capable coaching of Mr. Correll, the 1954 'diamond crew' came out of the season with a very fine record.

While winning 18 games, losing 2 and tying 1, the team also won both the Illini and Greater Peoria Conference Championships, and tied with Manual for the City Championship.

During the tournaments it looked like Woodruff was going to go all the way.

Winning the three games in the Sub District and the one in the district, they went on to the sectional.

Here they met Danville and were defeated by a score of 4 to 1.

Although many seniors are going to be lost, a good 'crop' of under classmen should bring more baseball laurels to Woodruff in the coming years.

The Woodruff 'netmen' under Coach Virgil Boucher turned in a season's record of five wins and four losses last spring. Composed almost entirely of underclassmen, the squad got off to a slow start being beaten by Pekin and Bloomington. They came back by beating East Peoria twice, 9 to 0, and 6 to 0 before being defeated by Bloomington again. They won their next three matches over Rock Island, Moline, and East Peoria. Then they were defeated by Pekin in their last game of the season.

Varsity Track

The Woodruff 'harriers' this year had just a fair season. Traveling to Oak Park in the latter part of March, they ran in the top indoor meet in the state. Because of not having had an indoor season, they were not in the best of shape, but competed to the best of their ability.

Coming back to Peoria to start their regular outdoor season, the thin clads won three dual meets before being defeated by East Peoria. Next they won a dual and triangular meet before dropping one to Canton.

Traveling to Kewanee and Normal Relays, they placed third and fourth respectively.

Running in the Illini Conference Meet at the stadium they placed second.

The next week-end the team ran in the District placing fourth. The boys that qualified in the District were able to participate in the State Meet.

That next Tuesday the team competed in the Greater Peoria and came through with second place, although being rated as third or fourth place finishers pre-meet time.

Because of being composed of more underclassmen than usual, the squad didn't have the highly successful season that a Woodruff track team usually does.

With many experienced seniors and juniors coming back next year, Coach Gummerson expects to climb back to the top of the track world in the Peoria area.

"WHAT CONSTITUTES BEING A GOOD CITIZEN?"

How would you answer this question? It came from an eighth grade student as a part of a class citizenship project.

HERE'S THE WAY A CATERPILLAR EXECUTIVE ANSWERED IT:

"To describe a good citizen in a few words is most difficult—much like trying to describe our great country in a few words. However, some qualifications of a good citizen certainly would be:

- A fundamental belief in God.
- A deep sense of honesty and integrity.
- Moral character above reproach—the result of personal convictions rather than fear of public opinion.
- An interest in one's community coupled with a willingness to work long and hard for its betterment.
- A true sense of value, recognizing that

there is no such thing as something for nothing. Everything we achieve, everything we get, must be earned.

- A love of the freedoms guaranteed by our Constitution and Bill of Rights, and a willingness to protect these freedoms.
- A desire to search for and find the truth and not be swayed by the emotions of others.
- A sense of duty when it comes to exercising our great American privilege of voting, based on thoughtful consideration of the issue or office involved—and the same sense of duty when jury, military or public office responsibilities should be met.

It is difficult indeed to describe citizenship in a few words. I hope these thoughts will be helpful."

Dear Bobby,

It's hard to express our feelings, especially in a year book.

I have enjoyed going with you this year, and hope we will keep on going together.

You know, or should know, I love you very much.

I am lucky to get somebody like you.

I do hope we can make all those

dances and games, but remember we still still have Ruth's house as a stand by if we can't make all of them.

Good luck, Bobbie in all you do.

Love always
